* For 4-section ladders and scissor ladders, as well as all GREENSTEP ladders, the LXN extension frame must be installed before mounting the upper hatch.

** In LMF60 ladders, the LXH handrail is compatible only with ladder versions for room heights of 280 cm and 305 cm.

*** Before using LXA-A trims, verify the installation information on page 37.

[✓] Compatible.

[-] Not compatible.

[S] Accessory included as standard equipment.

[S+] Accessory included as standard equipment, with the option to install a second piece.
